STUDIO RIGATO

Studio Rigato is the **consulting accountant you need for your business.**

Our 15 years of experience permits us to help you to **establish and run a business in Italy** because our knowledge of the Italian market is our most important skill.

We offer the services of an **accountant**, an **employment law consultant**, a **lawyer**, an **insurance broker**, a **financial consultant**, and a **notary**. We can also assist you to set up the banking and all the fiscal offices you need for your activity.

We offer our clients **a legal office address**, too.

We can help you to choose **the perfect type of business** for your needs and, set it up; we also support you in **understanding Italian rules** and regulations especially the fiscal ones.

We can provide an **interpreter** to help you understand exactly what you are signing for your Italian company – and who can accompany you if you want to shop for things made in Italy; we can also **help you to buy a house in Italy**, if necessary.

If you would like to know more about any of these services, just ask.

We would be happy to help you.
